Subject: Lynn Canal Hwy

As a resident of Juneau there is no way I can support the Lynn Canal Hwy as proposed. If the road were to go up the west side, maybe. This project would be well in excess of \$1,000,000,000. If you don't believe me try getting a firm bid on steel, rebar, concrete and other building materials for 5 years from now. I am not sure this project is in the best interest of the people, maybe just a few locals. Reliable fast ferry service makes much more sense.

Sincerely, Mitch Falk
